MEDICINE, PHARMACY AND DENTISTRY.

The Nashville Academy of Medicine, Pharmacy and Dentistry met Monday evening, March 4th, at the office of Dr. W. R. Baker. Dr. S. S. Caruthers, Vice President, presided in the absence of the President, Dr. Bandy. The minutes of the last meeting were read and approved. A well prepared paper on the "Relation of Theory to

Practice" was read by Dr. Baker. A heated discussion followed the presentation of this paper. The meeting was largely attended by the physicians and dentists of the city. Cream was served. The next meeting will be held at the office of Dr. S. S. Caruthers, 419 1-2 Cedar street, rooms 1 and 2, at which Dr. Caruthers will read a paper on "Eczema." It is expected that all members of the academy will be present.

UNION TRANSPORTATION COMPANY TO MEET.

An important call has just been issued by Rev. Preston Taylor, President of the Union Transportation Company, and Henry A. Boyd, Secretary. This notice and call is being sent out to all who have subscribed for stock, whether they have paid in full or a part of the stock subscribed. "The names of many of the subscribers," said Secretary Boyd, "and their addresses at the time of the subscription is also on the book, but," continued the Secretary, "there is no change of address left in the post office of our people when they move from one place to another. Thus it becomes impossible to have a written notice reach them through the local post offices." This important meeting, which will be in the nature of a big mass meeting, is called to meet in the chapel of the National Baptist Publishing Board, which is the third floor of the big three-story building located at the corner of Market and Locust streets, March 22. All are requested to be present promptly at 8 o'clock. The call will be mentioned elsewhere in this paper. Preston Taylor was seen by a Globe reporter and was asked what the nature of this meeting would be. He remarked, "Spring is coming and this summer the people must have some place to go. Our cars are here and ought to be used. We want to see what the people think about it."

SPECIAL CALL MEETING.

All subscribers of stock in the Union Transportation Company, whether paid up in whole or in part, as well as those who have not paid anything, are urgently requested to meet in the National Baptist Publishing Board Chapel, which is the third floor of the three-story building located on the corner of Market and Locust streets at 8 o'clock, Friday night, March 22. Business of importance will come up for consideration.

DEATH OF MRS. KITTY LOFTON.

The remains of Mrs. Kitty Lofton, of 719 Cedar street, were laid to rest Sunday afternoon. Mrs. Lofton was one of Nashville's old and respected citizens. She died last Saturday morning after a short illness. While she had been sick for the past month she was not confined to her bed but two weeks. Lagrippe was the cause of her death. She was the mother of Mrs. C. M. Ferguson, who came here from Texas only a few months ago to take up her residence, after having lost her husband in the Lone Star State. The funeral of Mrs. Lofton was conducted at the Mt. Olive Baptist Church, of which she was a member, Dr. C. H. Clark officiating. She leaves a son, who resides in Colorado, and who could not reach here in time to review the remains. She also leaves two daughters, one at Houston, Texas, who could not be present, and Mrs. Ferguson, who was attentive throughout her illness. Her exact age is not known, but it is thought that she was born about 1842. Most of this time she has lived in Nashville. The funeral ceremony was very impressive.

WALDEN NOTES.

The capacity of Meharry Auditorium was taxed to its utmost last Friday night, when twelve hundred people crowded into it with scarcely breathing room, and over two hundred were turned away, to witness the star performance of Prince Herriman and Duke Berriman. The program was high-classed and scientifically rendered, far surpassing any other yet rendered by them in this city.

The gala time was Saturday afternoon when eight hundred school children witnessed the matinee given for them at the same place. Quite a num-
